### **Wuesthoff Health System Sponsors *Pulmonary Health Fair***

*“Wuesthoff Home Medical Equipment Hosts ‘Free’ Screenings and Medical Testing for Public”*

**ROCKLEDGE, FL** (July 15, 2009) Wuesthoff Home Medical Equipment will host a *Pulmonary Health Fair* on **Monday, July 20**, from **3 to 6 pm** at their Rockledge showroom, **185 Barton Blvd., Rockledge**. Free glucose tests, blood pressure checks and oxygen saturation screenings will be available to guests; and complimentary refreshments will be provided.

At 4 pm, featured speaker, Dr. Jerry Pinto, MD, FCCP/DABSM, Board Certified in Pulmonary Critical Care Sleep Disorders, will discuss sleep and respiratory disorders. Demonstrations on CPAP (continuous positive airway pressure) and oxygen machines will be given by Respirationics and respiratory therapists from Wuesthoff Health System. In addition, Wuesthoff Home Medical Equipment representatives will be on hand and available to answer questions on new respiratory care products.

Wuesthoff Home Medical Equipment offers a complete selection of home medical equipment, supplies and services – including oxygen equipment, lift chairs, scooters, hospital beds, wheelchairs, uniforms and shoes. Wuesthoff Home Medical Equipment provides free delivery and set up, and has professional staff on call 24 hours a day.

For additional information on the *Pulmonary Health Fair*, or to RSVP for the event, please call **(321) 632-4663**.
