### **Wuesthoff Health System Recruiting Volunteers for Rockledge and Melbourne Medical Centers**

**Brevard County, FL** (February 15, 2010) Wuesthoff Health System is recruiting hospital volunteers (ages 18 and older) to work four to five hours a week in various departmental duties at both Wuesthoff Medical Center Rockledge and Wuesthoff Medical Center Melbourne.

Volunteers are being recruited for mail and floral delivery positions, patient/visitor transport, courier, gift shop, and concierge desk representatives. Potential volunteers are required to undergo an interview; if accepted, participants are required to attend a hospital orientation and training session conducted by volunteer chairpersons for their assigned department area.

“We have active volunteer departments at both medical centers,” said Sandy Williams, Wuesthoff Health System Senior Services director. “We are always in need of customer service oriented people to help with various responsibilities around the hospital. No experience is needed, only a willingness to assist.”

For more information on volunteering, contact Sandy Williams at **(321) 636-2211, ext. 2603.**
